

MD Cyber Meetup: Cyber Capabilities Exchange Sponsorship Agreement

Cyber Capabilities Exchange Meetup: A combination of casual networking and business, this two-hour program gives up to five MD cybersecurity product and service providers the platform to showcase their companies to attendees, thus, providing the following opportunities, as applicable: sales, partnering/reselling, referrals, funding, acquisition and/or leadership and team member recruitment. Individuals from across Maryland's vibrant cybersecurity community - including other cybersecurity companies, cybersecurity solution seekers (a.k.a. potential customers) and investors - are encouraged to attend.

Event Format: Each event will begin with a half hour of networking, followed by presentations from the Cybersecurity Spotlight Companies, who will each have four minutes to present their company's offerings to the audience, followed by four minutes of Q&A from attendees. Lite fare food, beer and wine will be provided, and the event will conclude with a half hour of additional networking.

Target Audience: Executives from non-cyber/non-tech Maryland businesses who are seeking cybersecurity solutions, investors and representatives from Maryland cybersecurity and technology companies.
